PROFILE

Business and marketing graduate with experience in customer-facing and revenue-driven environments, including hospitality and international brand activation campaigns. I combine a collaborative mindset with a competitive drive — consistently aligning customer needs with business objectives to deliver results. Currently developing technical and commercial skills in CRM systems and SaaS sales methodologies through Salesforce training, HubSpot certification, and AI tools.

CORE SKILLS

Sales & Business: Customer engagement, persuasion & upselling, communication, conflict resolution, team coordination, adaptability.

Technical: HubSpot CRM (certified), Salesforce CRM (learning), AI tools / Claude (learning), Inbound Sales (in progress).

EXPERIENCE

Customer Engagement Specialist

Hospitality Industry · Mar 2024 – Sep 2025

- Consistently increased revenue through upselling higher-margin products while maintaining strong customer satisfaction.
- Identified operational inefficiencies and proposed improvements (e.g. speed pourers), reducing wastage and improving service accuracy.
- Maintained composure in high-pressure environments, ensuring smooth service flow during peak hours.
- Managed difficult customer interactions professionally, protecting brand reputation.

Brand Activation Representative

JTI Campaigns · 2022 – 2023

- Represented international FMCG brands in direct-to-consumer campaigns.
- Influenced purchasing decisions through structured product communication.
- Delivered high-energy customer engagement in fast-paced promotional environments.

Waiter

Caspita Restaurant · 2019

- Delivered efficient and attentive service in a busy restaurant environment.
- Built strong communication and customer service foundations.

Retail & Operations Intern

Tekkie Town · Jun 2018

- Gained exposure to retail operations, warehouse processes, and in-store merchandising.
- Supported multiple departments including marketing and storefront operations.

EDUCATION

Bachelor of Commerce — Marketing & Business Management Science

IMM Graduate School · 2022 – 2024 (Graduated 2025)

Diploma in Sound Production

SAE Institute Cape Town · 2025

Bachelor of Hospitality Management (IIE)

Pivoted to business focus mid-year · Jan – Dec 2021

National Senior Certificate (Matric)

Glenwood House School, George · 2019

CERTIFICATIONS

- HubSpot CRM — Completed

- HubSpot Inbound Sales — In progress
- Salesforce CRM — In progress
- Claude AI for Work — In progress
- Google Project Management — Planned

LEADERSHIP & DEVELOPMENT

- Coordinated and managed a promotions team for a Cape Town music collective event in Stellenbosch.
- Led university group projects, coordinating team deliverables and ensuring deadlines were met.
- Supported onboarding and training of new staff in hospitality environments.
- Long-distance / marathon running — discipline, resilience, patience for compounding results.
